To whom it may concern,

Intermediate Unit 20 (entity number 125917) are seeking a waiver for the following form 471 applications as they were submitted outside of the filing window which closed on May 11, 2017.

171048815

171048982

Application 171048815 was filed at midnight but was not certified in time and as you can see is listed as certified at 5/12/2017 12:00 AM EDT.

In regards to application 171048982, there was a misunderstanding and I did not realize that we intended to file 471 applications for voice services this year. We consult for a several other schools and they have all opted not to pursue any voice discounts this year since the amount of the discount was so low. I did not realize until it was too late that I was supposed to file for our own voice services since we are still entitled to a 30% discount.

Thank you very much for your time and consideration on this matter.

If you have any further questions please feel free to call or email me.

Sincerely,

Jamespeter Hinkle
